No. 457-R. P.

GOVERNMENT OF INDIA.

RAILWAY DEPARTMENT.

(RAILWAY BOARD.)

Simla, the 14th November 1913.

Terms on which the Government of India are prepared to consider offers for the construction by the Agency of private companies of branch lines forming feeders either to State lines worked by the State or to railways worked by companies.

RESOLUTION.—In supersession of all previous orders on the subject, the following information is published detailing the conditions on which the Government of India will be prepared to receive applications for the grant of financial assistance to companies formed to provide capital for the construction of such branch railways as Government may be prepared to entrust to companies. The terms offered have been made considerably more liberal in several respects.

2. No concession can be granted for the construction of a branch line until the line has been surveyed and detailed estimates of its cost and an adequate report on its traffic prospects have been prepared by an agency approved by the Government of India. When promoters are desirous that such a survey should be made, an application should be submitted to the Railway Board in the form prescribed in memorandum B, attached.

3. The conditions on which concessions for the construction of branch lines will be granted are as follows:—

- (i) The prospectus of the company to be formed for the purpose of providing capital for the line must be submitted to, and approved by, the Government of India before issue. The capital of the company must be expressed in rupees, and subscription must be invited only in India. The amount of capital to be raised will be subject to the approval of the Government of India, and the construction of the line will not be begun until the Government of India are satisfied that capital sufficient to meet the estimated expenditure has been subscribed.
